So God created mankind in his own image, in the image of God he created him; male and female he created them.

Genesis 1:27 NIV

From the Director

A question: What if you were to wake up each morning and know—beyond a shadow of a doubt—God had chosen you to take part in a mighty, world-changing endeavor? What would it be like to have the Creator of the entire universe put His arm around your shoulder and say, “I need you. Let’s get started!”

Maybe this sounds like a fictional, fairy-tale. I get it. But we need to understand, God *is* calling us to mighty endeavors. He wants us to make a difference, to influence this world, to make it better. We all agree with this, right?

As we consider Ramona Pregnancy Care Clinic, let’s think about how God views this mission. How do we fit into His desire for this world?

First, we love and serve the hurting and the wounded. We serve the unsure and the afraid. We even serve those who might see themselves as our enemies. This is just what Jesus asked us to do when He talked about loving our neighbor. Is this part of what God is looking for?

Second, we understand every life is created by God and He desires that each one of His created miracles be given every opportunity to live a full life in the way He designed. Every. Single. One!

Third, we believe faith matters to God. In different ways, we connect those we see to the God who invented faith. We do this because we want every person to find the joy of knowing God.

It isn’t a stretch to say each of these three aspects of our work matter to God. In fact, each of these is God’s will for a world which needs Him now more than ever.

Let’s go back to the beginning of this column. What would it be like to wake up each morning knowing you are part of an endeavor which comes straight from the heart of God? If you want each day to be one of purpose, join us. While you may not be here each day, we’re looking for volunteers, financial supporters and sometimes, regular staff members who believe in doing something bigger than themselves, something which God is looking for right now.

Want to join us? It’s not difficult. Just email me at RamonaPregnancy@att.net and we’ll get you started. If you want to support this work financially, go to FriendsORPCC.com/support and put your funds to work for a purpose far beyond anything you can imagine.

Let’s do this. God needs each of us to pitch in on a world-changing endeavor, right here in Ramona. So, let’s get started.

In the Spotlight

In January we welcomed Kimberly Regnier, RDMS to our staff. She’s very excited about her position at RPCC and is looking forward to sharing the love of Christ with every woman she helps. She is a busy grandmother and business woman.

Made in the
IMAGO DEI
Image of God

Imago Dei is Latin for Image of God, which is a driving force for RPCC's purpose to value the unborn. The Walk for Life is an important fundraiser for RPCC. Last year it provided 30% of our annual income. This year we are looking forward to seeing many supporters join our Walk For Life 2022 at Calvary Chapel Ramona. We will walk a 1 mile route, then enjoy brunch and fruit smoothies together. Funds from the silent auction will be designated to our benevolent fund which assists mothers and families in emergency situations.

A highlight at the event will be the unveiling of our new brand for our identity with clients. We have discovered that our name and logo was hindering some women ages 13-25 from seeking help here, so we intentionally designed it to appeal to our target audience. Be one of the first to see it!
