Ecclesiastes 3:12 I perceived that there is nothing better for them than to be joyful and to do good as long as they live.

From the Director

I am so blessed as I watch so many volunteers join together to accomplish our mission of "Making the Choice of Life Possible" for every woman in our community who is faced with an unplanned pregnancy. I marvel at the Walkers at our Walk for Life, the Receptionists, Teachers and Advocates who serve weekly in the office, the Monthly Supporters, and so many more for their heartfelt commitment that **Life is Good**. They all are convinced that Life is full of beauty, adventure, goodness and meaning and to deny that to unborn children is very wrong. These unborn children's lives will be good if allowed to be filled with love, growth, joy, and endless possibilities we all have enjoyed.

In thirty-six years of service at our ministry, I have never heard one woman say she regretted giving birth to her baby. By the time the baby is born she has developed a wonderful relationship with her child and looks forward to their new life together. The surprise of meeting their helpless offspring and learning what the child looks and behaves like is so rewarding. They have a passion for nurturing these helpless beings with cuddles, kisses and care. Watching a newborn is such a simple joy and creates lasting happiness. I have to concur, **Life is Good!**

New Volunteer Training

Wed, June 11~12 noon-3:00 pm
at the clinic office

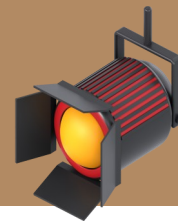

We will discuss basic facts surrounding the abortion issue-legal issues, number of abortions performed in the U.S., stages of development of unborn babies, methods of abortions, reasons for abortions.

We will cover procedures at our clinic for caring for the clients, for safety of the volunteers and staff, and in case of an emergency.

We will finish with spiritual training for clearly explaining how to become a Christian and beginning to grow.

As of May 22, 2025 we have received

Our **Walk For Life 2025** such a fun morning. There had been light showers earlier in the night, so everything was fresh and clean. The morning was foggy and cool, perfect for walking. The walk route encompassed the booths of the silent auction, balloon animals, face-painting, baby prayer quilts and several activity booths. Everyone enjoyed walking and fellowshiping as they walked, then slurping the fruit smoothies.

We are so pleased to announce it has raised 93,282, which is very close to our goal of \$100,000. There were 110 fundraising walkers. Over \$1630 was raised for our benevolence fund by purchases from the silent auction. These funds go directly to the mothers to help with financial situations that come up.

Our thanks go out to all the Walkers with their generous Sponsors, and our wonderful Merchant Donors listed on www.FriendsOfRPCC.com/events.

Student Scholarships

We were privileged to participate in the RHS, and Montecito Scholarship Nights. We presented awards to 9 students totaling \$7000 to further their education. To qualify for our award, these students wrote an essay about our role in the community. Mari-Jane (pictured here) will be going to cosmetology school to support herself and her baby boy.
